Honorable Alan K. Campbell, Chairman  
United States Civil Service Commission  
Washington, D.C. 20415

Dear Mr. Campbell:

Section 401 of Executive Order 11222 requires that I submit a Statement of Employment and Financial Interests quarterly to the Civil Service Commission if there has been any change in, or addition to, the information in my original statement of April 6, 1977. Please be advised that, as of June 30, 1977, there have been no such changes or additions. I have been advised by my General Counsel that no report is required as to assets held for me in blind trust since the terms of those trusts have been approved by the Commission.

Sincerely,

STANSFIELD TURNER

2. Background: Executive Order 11222 requires that changes in, or additions to, your initial Statement of Employment and Financial Interests be reported quarterly to the Civil Service Commission. The letter attached as Tab A will suffice, if, since your report of 6 April as to yourself, Mrs. Turner, or other members of your immediate household, (a) all securities continue to be held in blind trust, (b) no pensions or other continuing financial interests from prior employment or business association have developed, (c) no position as partner, director or trustee of any profit or nonprofit corporation or other enterprise has been assumed, (d) no indebtedness, other than that related to a mortgage on a personal residence or ordinary household and living expenses, has been incurred, and (e) no interest in real estate, other than in a personal residence, has been acquired.

3. If all these conditions are not satisfied, an amended statement must be filed reflecting the relevant changes or additions. The Office of General Counsel at the Civil Service Commission has advised that the terms of your blind trust agreements have been approved and thus no further reporting will be necessary as to changes in, or additions to, the assets of those trusts.

TO: Heads of Agencies, each Presidential Appointee in the Executive Office of the President, who is not subordinate to the head of an agency in that Office, and full-time members of Committees, Boards and Commissions appointed by the President

FROM: Alan K. Campbell *AKC*

SUBJECT: Filing of Annual Statement of Employment and Financial Interests

Section 401 of Executive Order 11222 requires each of you to file an annual Statement of Employment and Financial Interests with me as Chairman of the Civil Service Commission. The information called for by the statement, a copy of which is enclosed, covers the period July 1, 1976 through June 30, 1977.

At times, some officials have updated their statements on file with us by stating that there have been no changes or additions or noting only such changes or additions that have occurred in the interim. This abbreviated type of response causes difficulty in our review process where there are extensive holdings and the previously completed statement dates back several years. In view of this, unless you have submitted a completed form within the last two years, please fill out the statement in its entirety as of June 30, 1977.

We shall appreciate receiving your statement before July 15. If you have any questions, please call upon us.
